# What You **Need** to **Succeed** in a 1-Chair Barbershop

Only the best barbers in the world become Barber Stop barbers. Over the years, we've identified 3 things that make a barber a good candidate for a Barber Stop franchise. All Barbers seeking to become Stop franchisees must provide proof of the following three items.

Call us toll free at 800-236-1264 if you need additional information or clarification of anything you see in this document. We look forward to talking to you.

## **1. Barber School Education**

Not just ANY barber training course. We are looking for graduates of REAL, Honest-to-God barber schools. A barbering "certificate" from a cosmetology school is NOT good enough. If you are not legally permitted to use a

straight-razor to serve customers, you are NOT a barber.

## **2. Current Barber License**

Be sure your barber license is issued by the state you intend to seek a Barber Stop franchise in. cut hair in. There are sometimes ways to transfer your license in one state to another.

## **3. Proof of Your Cutting Skills**

There are several ways you can prove to us that your skills measure up. A few are listed below;

- Pics and videos you send
- References from barber school instructor/s
- References from current clients

# Haircuts That EVERY Barber Stop Barber Does With Precision

## Types of Hair

You must also be skilled in cutting all kinds of hair on all kinds of people; black people, white people, Asians, children, old people and adults.

Every haircut listed below must be done just a little differently depending on the race and the age of the person you are working on. Barber Stop barbers must do it all.
